Address: The International Peace Garden at The Coral Springs Center for the Arts - 2855 Coral Springs Drive - Coral Springs (between Sample Rd. and Royal Palm Blvd.)

For more information call 954-340-2115 or email: jack@opunited.org

“What is a Drum Circle?”

Drum circles are universal. A drum circle is a free/amateur/and communicative gathering of people who come together to make spontaneous music. Anyone can join in, and even share instruments. Every person has a natural human-beat, it's just a matter of letting it come out into the light.
